### Message from your Chairman:

I'd like to start this column with a huge thank-you – to everyone who, in any way, made our show at Cranleigh in June possible. It takes a huge amount of work, both the obvious stuff like setting up & clearing away, and the behind-the-scenes organisation which Cass managed again this year almost single-handedly. I know some of you worked very long sessions, and often more than one stint due to a shortage of volunteers, but I want you to know it was worth it. Cass & I had several people stop by the secretaries lorry to say they were really pleased with how their horse had done, including some who'd either not shown for a long time, or who said it was the first time they'd done a dressage test or a class or tried Trec – exactly the sort of riders we'd aimed the show at, so it obviously worked. And, just to cap it all, it actually started to rain (well, only drizzle really) part-way through the day but no-one cared, we were just so pleased to have any at all! Anyway, thank you all so much for your time and effort in support of the Club.

But, hey, don't think you can rest on your laurels now – theres the Club show-jumping show at Merrist Wood on 23 October to be sorted out now. Do remember it's a condition of membership of the Club that you help at one of our events during the year, so if you didn't help at the June show or the Easter dressage, ring Emma on 01276 - 474391 to offer assistance - before we come chasing you!

There should also be a schedule for this show in with this Newsletter too. As ever, if you're not going to compete (the only acceptable excuse for not helping!), do pass it on to someone else (Club member or not) who might want to enter if you don't.

And I've been asked by Judy, the Cranleigh Show organiser, if I'd do her a plug for helpers for her show in August, too. (As she kindly lets us use the show-ground for our June show, I could hardly refuse!). She's looking chiefly for show ring stewards, but also has jobs around the show-jumping classes if that's more to your liking, and some organisational work as well. She's promised me you can choose who you work with, so you're not going to be left alone to cope, whatever you're doing, and also training will be provided beforehand too. The good part of the deal is you get free entry to the show so you can have a good old shopping session when you're not working, plus a fab free lunch (with wine if you want!) and tea in the members tent at the top of the rings, so with a great view of all that's going on. The show this year is on Sunday August 7, at the show-ground in Cranleigh as usual. If you're interested, give Judy a ring on 01306 – 712050 and let her know what you'd like to do, or what classes you'd like to help with. If perhaps you want more information before you make your mind up, call Judy, or speak to me on 01483 – 770943.

Hope to see you at one of our Club events soon!

*Cathy*

## Area 11 National & London & South-East qualifiers

Would you like to be part of a team representing West Surrey RC at the Area / National and local (London & South East, L&SE) qualifiers? All disciplines are included (see below) - if you fancy joining a Club team or entering as an individual (where available) for any of the events, contact the relevant team manager (see details on the Committee page of this Newsletter). They'll be able to tell you more about which tests / heights are used at each qualifier, & sign you up! We really don't only want people who are experienced in their discipline – we're also very happy to include those who are just keen to have a go (& who promise to turn up on the day! – we're happy to pay your team entries for you, but some of these events aren't cheap).

Or, if you're in the locality anyway, why not drop in & support your team? The Riding Clubs show-jumping team competition at Hickstead 31 July during the Royal International Horse Show is particularly worth a visit... and if you're a British Horse Society member there's a free entry ticket in your recent "British Horse" mag!

Below are the dates currently available for all qualifiers that our Area 11 is running during 2011. Keep your eye on our Area 11 web-site ([www.brcarea11.org.uk](http://www.brcarea11.org.uk)) for more details, updates (the Winter season of qualifiers, Area "friendlies" and the Area Team Quiz is being arranged as we speak!), and schedules in due time.

10 July – **National & L&SE Horse Trials** – Rackham EC (with Area 13, Seniors & Juniors, teams & individuals, Novice & Intermediate)

23 July – **L&SE Show-jumping** – Bookham RC field (1 Junior per Senior team, teams only, Novice & Open)

20 August – **National & L&SE Dressage to Music** – Newlands Corner RC field, teams & individuals, Novice & Elementary freestyle).

**N.B.** date change for this event due to Olympic cycling trial having been (inconsiderately!) organised for the original date of 14 August.

Entries for the veterans classes at the Lincoln championships (September 17 & 18) are direct entry to the BRC Office only.

This years L&SE championships are being held at Mattingley on 25 September.

The L&SE Dressage to Music Championships are at Sands Farm on 23 October.

### **JUMPING QUALIFIERS/OPPORTUNITIES.**

Despite my pleas for volunteers and requests for feedback, I didn't have sufficient interest to send a team to the National qualifiers back in May. However, I'm now going to have a shot at getting a couple more people interested in representing the club at the London & South East qualifier which is being held at Bookham Riding Club field on **23<sup>rd</sup> July!**

# Past Team Events

The competition is held over 2 rounds at 80cm and 85cm (2'6 TO 2'9 approx in old money) so you don't need to be related to the Whittakers to be capable of having a go. Please contact Jacqui ASAP (mobile 07538 476896 or e-mail [jacquipeterson@aol.com](mailto:jacquipeterson@aol.com)) if you'd like to have a go. We can have one junior per team but the rest have to be 'oldies'. **Please** consider having a go as I'm getting very despondent about the lack of enthusiasm in jumping events and worried I'm doing something to put people off - so don't be shy, I'm not fierce and we aim to enjoy ourselves ;-)

I have managed to find 3 braver souls who are happy to compete at the slightly more testing heights demanded of the BRC teams of 3 competition at Hickstead.. They are Georgie Nott, Emily Wiggins and Alice Phillips. So if you are attending the Royal International Horse Show on Sunday **30<sup>th</sup> July** please find your way round the back of the trade stands to ring 4 to cheer on your club mates.

I will be arranging a practice session at Thundry Farm for the team as they have the benefit of a course of jumps on grass as well as the sand school if the going is bad. So if anyone would be interested in joining us please let me know. I can also arrange jumping sessions with Christine Shubrook (UKCC accredited coach) for anyone who would like some show-jumping tuition. She's happy to teach from literally from poles on the ground to as high as you want to go! She is very reasonable charging only £20 per horse for shared sessions and I can highly recommend her for confidence and technique improvement. (See [www.thundry.co.uk](http://www.thundry.co.uk) for details of 2 day workshops for the more ambitious. I can personally recommend the 'let's get going' sessions- fun jumping, fab home made lunches and hilarious sessions on space hoppers!!)

## Robin's Round Up

Just as I was starting to enjoy sunbathing after a long cold winter of skiing, the weather has changed and everything is wet, muddy and grey. Hopefully as you read this I will have taken part in the Riding Club Qualifier, along with some of my mates. However, the slave has a message about lack of people interested on competing in Horse trials teams this year. Do come and join us it is great fun, you can either go very fast (the slave gets scared!) or really slowly (so the slave is red in the face from trying to make you break out of a trot!). The slaves even have a great team picnic once we have all finished, I have never been invited, how mean is that. Apparently the aim of the day is for everyone to enjoy themselves and come back with a smile on their faces.

Anyway I digress, the slave has been extremely mean on food rations and rather than resemble Russell Crowe now I look like him in his Gladiator days. The vile diet has been accompanied by lots of long slow walks and trots around the heath. Although I have heard promise of maybe doing some jumping in the near future and the possibility of an outing in the lorry to go cross country. This has been followed up with a threat of circles and pretty trotting, yawn please pass me a cocktail.

So all that is left to say is anyone free on 10<sup>th</sup> July, please come to Rackham to support the Horse Trials team.

*Robin*

# Instruction

## Venue Etiquette

WSRC is fortunate to have access to some wonderful venues for our instruction programme, some of which are small private yards, unused to the arrival of hoards of new WSRC faces/animals! There are a few simple things we would ask everyone taking part in our instruction to adhere to, to make sure we remain welcome at our venues:

-  please only WALK your horse when at other venues - especially in private yards - unless you are in the school/training area. Please do not trot or canter your horses outside of these areas, so we can avoid upsetting other animals at the venues
-  if your horse leaves droppings, please make every attempt to clear up after them – most venues will have shovels/skips/forks available for your use please don't assume that someone will clear up after your horse in the school - at the end of a lesson, please make sure the school is left clean
-  if you plan to bring spectators along please check with the organiser that this is OK with the venue
-  please check with the venue organiser if dogs are allowed, and if so all dogs should always be kept on leads at all times and any mess left should be removed.
-  absolutely no smoking at any of the venues - by you or your spectators/visitors.

## Booking Instruction

**Each training clinic will now be organised by an individual member of the Committee, so please contact the person named under the entry, using the contact details given. This may mean contacting several different people for different clinics.**

**Please also note that these individuals will receive the cheques for individual clinics, so please make sure you send the correct money to the correct person!**

-  As previously, all requests for bookings will be allocated in strict order of them being received. Places are only secured on receipt of money. Places must be confirmed within 5 days, by sending your cheques for each that session. *(Please note the paragraph above about who to send cheques to, as we cannot take responsibility if you send it to the wrong person!).*
-  Cheques should be made payable to WSRC.
-  Please note that due to the high demand for instruction your place WILL NOT be held without a cheque.
-  If the instruction is already full do leave your details with the organiser. Waiting lists are held and you will be contacted if a space becomes available.
-  If you find that you aren't able to take part in a lesson that you've booked please let the organiser know as soon as possible. The more notice you give the more chance there is of us finding someone to take your place. If we can't find someone to take your place your cheque will be cashed.

## The Olympics in Surrey

It's worth looking at the website noted below to keep up to date on the Olympic timetable for cycling in Surrey. Some of the routes will impact hacking and parking both this summer as well as in 2012. Most affected will be the area north of the A25 which will include Shere, West Horsley, Staples and Coombe Lanes etc. There will be road closures as well as parking restrictions and lots of bikes practising in the run up to the big event. Not a place to go if your horse isn't keen on bikes!!

## Verstile Horse Event
