

West Surrey Riding Club

BHS affiliated Riding Club

December 2015 (6)

Dear Members

Welcome to the final newsletter for 2015.

It was lovely to see so many of you at our AGM last month, both familiar faces and some new. Our thanks to all contributors, not least the excellent photographs displayed and provided by Chris Lee. A list of trophy winners is attached at the end of this newsletter.

2015 has seen a lot of change at West Surrey RC; it started with our Members' Consultation in January, which informed the direction of the club going forward. Your Committee has endeavoured to embrace and implement the findings of that process, but there is always more work to be done. At the same time, the Committee has undergone change too; Lisa Fahy, Vicky Palmer, Caroline Holsten have all stepped down from their roles and we thank them for all their hard work over the last few years. We are pleased to see some fresh faces on the Committee, notably Carys Jones, and Julie Johnson. Susan Mackenzie has also kindly agreed to take on the task of organising instruction, alongside Carys, but is doing this as non-committee. We attach a new Committee List with contact details.

For those of you who haven't yet got around to it, membership renewals are due now. Full membership renewal costs £25, and for your convenience, we are also attaching the form to be used. Remember, if you don't make the renewal deadline, you will need to pay the New Member price of £28. Remember, you cannot book instruction unless you are a paid up member, so please try to get it done before the end of the year!

Many of you will be familiar with the lovely school at Hurtwood Cottage, which has been a popular Club venue for many years. Owners, Pami and John Nixon, plus their many four legged friends, are about to move to East Anglia. We would like to wish them every happiness in their new life, and of course thank them for their generosity to the Club. The Committee has arranged a farewell gift to be presented to them on behalf of the Club (more details in next newsletter).

Finally, a word of grateful thanks to all of you who have helped over the last year. Like most Riding Clubs, we rely entirely on volunteers to run all the events and instruction. We couldn't have done it without you.

Have a great Christmas, and here's to a busy and successful 2016!

Best wishes
The Committee

FORTHCOMING EVENTS

2015/2016 DRESSAGE SERIES

By kind permission of Lynn Roberts

Sunday 13th December (Christmas Special!) – at Kilnhanger
Sunday 17th January
Sunday 28th February
Sunday 20th March

The next (Christmas) dressage is a very special event for us, as we would like members, foot followers and also callers, to dress up in something festive, horses too. Non-members are welcome to join us on foot and participate in mulled wine and mince pies, food is a very popular part of WSRC events! Rosettes for all, no-one will be left out, and there will be a rosette for the best festive dress.

Hopefully, this newsletter will be out before close of entries (Wednesday prior to competition), but if not, it is always worth checking with Sylvia (sylviaealy42@aol.com) to see if there is space.

Tests to be used on 13th December are; **Intro A, Prelim 4, Novice ND10 * (new test) and Elem 42**

*Please note, Novice ND10 is a new test issued by BRC, and can be downloaded for free on this website; <http://www.bhs.org.uk/enjoy-riding/british-riding-clubs/brc-downloads>

There are Restricted, Open and Junior Sections for the lower level tests as set out below - so please state which section you are entering on your entry form. For clarity, if you've started the Dressage Series in a "Restricted Section" you stay in that section throughout the series.

Intro and Prelim (Section a) - Restricted - Neither horse nor rider to have been placed 1st to 3rd in any Intro/Prelim test

Intro and Prelim (Section b) - Open

Intro and Prelim (Section c) - Juniors (aged 16 years and below)

Novice and Elementary (Section a) - Restricted - Neither horse nor rider to have been placed 1st to 3rd in any Novice/Elementary test *

Novice and Elementary (Section b) - Open *

1-3 placings in each test qualify for the Championship Show. If those have previously qualified, qualification will move down the line. You may still enter the Championship Show if you've not qualified but will compete in a separate section. Entry forms can be downloaded from the West Surrey RC website.

* The Novice and Elementary tests run as one competition (with Restricted and Open Sections). The highest percentages over both tests decide the placings.

**FREE ASSISTED SJ SCHOOLING AT PARWOOD EC
SUNDAY 7TH FEBRUARY**

Fun, friendly & free! Clear Round Show Jumping at Parwood

Come & get some jumping practice in a relaxed, supportive environment.

The club has hired Parwood outdoor SJ arena from 10 am to 1 pm on Sunday 7th February. We are offering 'assisted' clear round SJ sessions. Groups of two riders will be given 30 minutes in the arena. This should be sufficient time to warm up & each jump a couple of rounds. Riders will be paired up according to the approximate height they wish to jump. There will be no instruction on site, but some regular team members will be there to 'assist' by putting jumps up and down etc. We would encourage people to stay on after they have jumped to meet and support other members.

We are running this free of charge and have space for 12 members. If this proves popular we will consider running more. Come along, meet other members and have fun.

All members are eligible. Places will be allocated on a first come, first served basis. If you are interested please email Claire stating the height you would like to jump and your contact details; claire.stratford@yahoo.co.uk

AN EVENING WITH CARYS JONES PHOTOGRAPHY

'The Story Behind The Shot' – Weds 24th February 8pm

An evening with local equestrian photographer Carys Jones – **in aid of Cranleigh Riding for the Disabled**

Location: To be confirmed (either The Drummond Arms, Albury or Arbuthnot Hall, Shamley Green)

Date: Wednesday 24 February 2016 **Time:** 8pm

Cost: £5 per person.

Join Carys and other Club members for a relaxed illustrated talk on her recent photographic trips to Iceland and to the French white horses of the Camargue. Carys will share with you some of the images she captured and talk through 'the story behind the shot' as well as sharing some of her experiences of how other countries manage their horses.

All proceeds from the evening will go to Cranleigh Riding for the Disabled, which is about to launch a fundraising drive to pay for a huge building improvement programme. For more information on its work and fundraising visit www.cranleighrdagroup.co.uk.

Seats must be booked in advance so we know the venue size we need. Your ticket also enters you into a free prize draw, the winner receiving a mounted print of one of Carys' Icelandic horse images. Visit www.carysjonesphotography.co.uk to see some of the images that will be discussed at the talk.

Please note; this evening is open to non-members too!

A Message from our new Dressage Team Manager, Julie Johnson;

West Surrey Dressage Divas – prepare for 2016!!

Hi everyone! After 10 years of being a WSRC member, I have taken on my first committee task (or should that be challenge?) as Dressage Team Manager for 2016. We had such success last year with great representation from Club members at area events and at ‘friendlies’, that I am now chomping at the bit (to coin a horsey term), and raring to get going in 2016! Many thanks to Vicky Palmer for her wonderful leadership on the teams – I am looking forward to building on her success in previous years, and taking us forward into the New Year.

So, our first dressage mission for 2016 is to fight for ‘Valegro’ glory on 13th February at the Priory, as Elstead RC host the first Area competition of the year. Divas; dig out the ‘whites’, and sparkle the ‘bling’ - your Club needs you!

I will be looking for members who would like to represent the Club at Prelim and Novice level riding one of the following tests: Prelim 13, Prelim 18 and Novice 30.

The team is made up of three riders, one riding each of the above tests – the more riders we have the more teams we will be able to send.

In addition to this, I am trying to organise some ‘team training’ on the weekend (or so) before the competition, so that we can come together as a team in advance of the event, run through our tests with a local instructor and put the finishing touches to our test riding! The training won’t be mandatory, but will enable you to meet other members, and take advantage of eyes on the ground, as part of your preparation for the competition.

Teams are a great way to compete – you are with your fellow team mates all day, supporting each other and having fun, as well as having the opportunity to compete and represent your club – if you fancy having a go or if you are already an established team member, (yes I know who you are and I may come and find you!) please get in contact with me asap, and I will send you a copy of the schedule; jjohnso5@its.jnj.com

Team Entry Sponsorship

We are very keen to encourage members to get out and about competing, and having fun together at competitions. Therefore, we will be continuing to fund some entry fees for members to compete in pairs/team events.

The competition entries can be for any discipline (dressage, SJ, XC etc.) provided that the class is for two or more riders. Example events include pairs hunter trials and dressage Team Quest.

See below (under “Team Reports/News – Sponsored Team Entries”) for news of how some members have already benefitted from this scheme.

We are particularly keen to support members who are not yet competing on our usual teams. However, regular team members are welcome to compete in a different discipline, or to act as a 'lead' to help guide less experienced combinations over jumps etc.

The Club will pay the entry fees, & where possible, a regular team member will come along to help on the day. In return, sponsored competitors will be asked to wear WSRC branded clothing (hat silks & saddlecloths provided for the day by the Club) and provide feedback on their experience.

Funds will be allocated on a first come, first served basis, so get your suggestions in asap.

If you are interested, please contact Claire (claire.stratford@yahoo.co.uk) detailing:

- the competition you wish to enter (venue, date, class number, cost)
- which horses and riders will be part of the team.

TEAM REPORTS/NEWS/PAST EVENTS

Show jumping Team News – from Jenny Tully

Area 11 Friendly Teams SJ at Elstead Riding Club Field, 15th November

On Sunday, 15th November Area 11 ran a “friendly” show jumping competition at Elstead RC field.

The format was teams of three, where one person jumps 75cms, one jumps 85cms, and the third member jumps 95cms. Initially we had six members volunteer which gave us two teams.

Unfortunately, two members fell by the wayside, however we were able to replace them at short notice and we sent two teams – the Farley Fillies comprised of Samantha Petri, Gemma Saulis and Lauren Louise Spinks, and the Albury Angels were Tina Pendle, Karen Stone and Pat Murphy.

In the 75cms round, Samantha had an unlucky pole down but had been rushed into the ring after very little warm up. Tina nursed a very green horse around, had one run out but rode it well.

For the 85cms round, Gemma had one pole down and Karen went clear to the jump off to finish 4th individually.

Finally, in the 95cms, Lauren went clear through to the jump off to finish 6th individually. Pat did a fantastic clear round to come 3rd individually after the jump off. Overall, the Albury Angels came 3rd and the Farley Fillies came 5th, so an excellent effort all round.

It was particularly gratifying to see some new faces in the teams and I hope they enjoyed the WSRC experience enough to do it again! As usual, there was a picnic, albeit basic given the time of year (and possibly the only team picnic of the day) and special mention should go to Sarah Fisher who stood in as team manager. Well done all of you.

Dressage Team News – by Jenny Tully

London & South East Dressage to Music championships at Sands Farm, Sunday, 18th October

Back in May, with jumping taking bit of a back seat at the moment due to a pair of dodgy knees, I thought Gero and I could have a go at Dressage to Music, and set a goal of the DTM qualifier at Plumpton College at the end of June.

Having never done this before, it was bit of a baptism by fire, having only five weeks in which to join BD, get the list of permitted moves from BD, create a floor plan, video the floor plan, change floor plan, video floor plan again, find a man who could do the music, choose the music and send video to music man, receive music back, send it back three times for minor tweaks and practice, practice, practice.

A couple of DTM clinics helped, as did loads of lessons, and eventually we got to Plumpton and did well enough to qualify for the Championship. I was a little concerned as everyone else's music seemed to be classical and I was clearly channelling my inner 1980's techno funk vibe using a compilation of Depeche Mode - but it is certainly very different!

Since June, I have been entering every DTM competition I could find in order to get practice of the different arenas and surfaces. My husband bought me a HUGE speaker to play the music outdoors at 120 decibels and I think I can safely say that after 3 months, me, the horse and all the neighbours are fed up of Depeche Mode now!

Anyway, the day of the Championship dawned and off we went to Sands Farm. Whilst tacking up I could hear everyone else riding their tests – the usual collection of classical tunes, a Star Wars inspired collection, some Scottish country dancing music, some Greek plate smashing music that gradually got faster (no idea how that one panned out!) and then it was our turn. With the familiar strain of "People Are People" we set off down the centre line. The massive spook at the flower pots only added cadence to the stride and we were going great guns. Unfortunately, in the counter canter, Gero threw in a flying change which is a banned movement, and I didn't correct it. This

resulted in the loss of a lot of marks, leaving us on 66.6% and putting us in 6th position. You win some – you lose some.

It has been an amazing experience and I have learned a lot. Anyone want a collection of Depeche Mode albums?

Sponsored Team Entries - by Christina Davies

In the Autumn newsletter, WSRC offered to sponsor pairs or teams of members competing, and I jumped at the opportunity. Helen French kindly volunteered to be my pair at Pachesham Hunter Trial (via a Facebook post), which was very generous, given that I prefaced it with how rubbish we were and how I'd need a lead! Helen and I met for the first time the day before to walk the course together, both expressing some scepticism at the size of the first jump.

On the day, I felt very fortunate to be supported by Helen and Claire Stratford, particularly as my horse was on two legs most of the time in the warm-up. Claire and Helen did an amazing job of keeping me calm and focused. Apart from Bramble refusing at the first jump, we flew round. Bobster and Helen were the perfect combination to follow. I was very proud to be competing in stylish WSRC gear and it was wonderful to have a team of supporters. I wouldn't have done this event without WSRC, so am very grateful to the Club for the opportunity.

Others members should definitely have a go – and if Helen and Claire are anything to go by, people are very forgiving when things don't go to plan!"

AREA TEAM QUIZ NIGHT 2nd November

By Cathy Hughes

Following the item in the October issue of the Newsletter, we had enough willing volunteers to enter two teams this year for the Quiz, & only one person had to be press-ganged (a bit!) - Helen Kendall, Sylvia Laney & Helen Steers (who unfortunately couldn't make the evening in the end), and Veronica Keywood & Jenny Tully who made up a team with myself.

We duly arrived at the appointed pub (The Watermill in Dorking) and got the important details sorted out – namely, what to eat & drink! Team members got together and made themselves comfortable – while I was effectively “nobbled” by Penny Jann from the Elstead team talking about Area stuff (a cunning distraction ploy on her part, obviously!).

Questions started – what a relief, not the sort of esoteric rounds from recent years on such as horses in art & literature, but a return to more general knowledge, the countryside (we did well on that round!), and who'd done what at events like HoYS recently. I have to say, though, we weren't pleased to see the return of the amorphous diagram of a horse's leg, with 10 areas marked, for which we had to name the relevant injury or disease - tricky!

We soldiered on – Jenny answered a good few, Veronica knew some helpful things about breeds, and I had a couple of brain-waves and backed the right guesses. But annoyingly we each managed to talk the others out of some correct answers too...

Anyway – after six rounds, we (Veronica, Jenny & I) ended up fourth after a tie-breaker question between four teams, and Sylvia & Helen were seventh – we all agreed if they'd had their third person, their pro-rata score would've probably won! There was only a point in it between the winners, Chipstead (who, despite organising the Quiz for years have never actually won until now), Newlands Corner (second) & the teams equal for third before the tie-breaker – an exciting finish!

I'd like to record a huge vote of thanks to all the team members for coming along and representing the Club at this sociable occasion, and Chipstead RC for running the quiz yet again – it must take ages to get all the questions together every year.

DRESSAGE SERIES 2015/16 FIRST SHOW at Kilnhanger

The first of the shows in the 2015/16 Dressage Series went ahead on 1st November. Sylvia Laney writes;

"We had a very good turnout for this first of the series, but it was disappointing to have such a foggy day. I believe the judge managed to see everyone, some people may have got away with a few discrepancies! Everybody seemed to have had a good time, despite the fog"

Bridleways Report

From Katherine Manson – Bridleways Officer

Bridleway 256 Snowdenham Lane, Bramley past Eastwater House to Daneshill/Bonhurst Farm

I have been contacted by a Club member with concerns over the narrowness and rutting of this path. In places this path slopes down to a barbed wire fence forcing you to ride dangerously close. Their horse spooked and this resulted in the horse sustaining a cut on the hindquarters. If you ride this path please can you log your concerns (and any similar experiences or near misses) on Surrey County Councils Rights of Way problem reporting facility on their web site. The more we can highlight problems, the better chance we have of getting this path widened.

Footpath 477 Connecting Trunley Heath Road through a sewage treatment works to Foxburrow Hill Road , nr Godalming/Shalford.

Has anyone any experience of riding this path? A Club member at the AGM told me that they had ridden it as a child. It is presently marked as a footpath on the definitive map but it is possible it might have been used for horses in the past but did not get designated as such when the definitive map was drawn. If you have any information on this path I would be grateful to know.

Katherine Manson Rights of Way Committee Member katherine.manson@environmentagency.gov.uk

A plea from BRC; In the recent issue of Rider magazine (which you should all have received, as members of an affiliated Riding Club), there is a plea to riders to report any accidents/incidents experienced on public highways. This is to help BRC in their work on our behalf; “we need hard facts, statistics and figures”. Please report any problems to - <http://www.bhs.org.uk/safety-and-accidents/horse-accidents>

PS – if you *haven't* been receiving Rider magazine, please let Sarah Fisher know so she can check your details with BRC Head Office – sarah@christopherstreet.org
